

# Tech Writing Sample: WhatsApp Video Status Guide

## How to Create a Video Status on WhatsApp

1. Open WhatsApp and go to the Status tab.
2. Tap on 'My Status' or the camera icon to create a new status.
3. Press and hold the shutter button to record a video.
4. Add captions, emojis, or text as desired.
5. Tap the send button to share the status.

### Tips:

- Videos can be up to 30 seconds long.
- You can also upload videos from your gallery.
